Description

COOL BEANS is a 2021 model Palm Beach Motor Yachts PB55. This is a special opportunity to own an extremely popular model that is lightly used and meticulously maintained. Her Volvo IPS 1200's at 900hp each have the Volvo Extended Warranty in effect until 23 June 2025.

Underway, you'll enjoy the smooth ride, incredible efficiency and quiet operation, while a rear tender garage allows convenient stowage and access. All the way forward a luxurious optional bow seat provides the ideal spot to soak up sunsets and get lost in conversation. Stainless steel safety rails and expanded non-skid walkaround decks provide easy safe access for passengers of all ages. The helmsman will find efficiency, ease and ultimate control at the practical uncluttered helm, with 360° sight lines for easy navigation and docking. Surrounding power windows let the cool breezes and sunshine stream into the salon. The expansive aft deck opens to the salon area by lowering the connecting power window to the galley.
