Description

MAROLA is a fantastic 2020 model Sabre 45 Salon Express in exceptional condition! Stored undercover and professionally maintained by her knowledgeable owners. She offers a two stateroom, two head, mid-galley layout. Her cockpit has a retractable sun/shade awning and aft is a Freedom tender lift which holds her 2021 model AB 10' 6" tender. The salon and helm windows create an open atmosphere and allow for natural light and air flow. There is a spacious utility room under the salon with icemaker, full-size Washer and Dryer (separate units side-by-side), and large storage compartments and much more. All service records available, highlights listed below.

MAROLA Specifications

Manufacturer Provided Description

True to form, Sabre Yachts has designed a boat with all the comfort and class of her traditional Downeast design, with modern precision control and advanced performance. A U-shaped settee transforms her cockpit into an elegant and livable space, equally suited to entertaining or enjoying some peace on the water. Her functional side decks, with handholds wherever they are needed, provide a previously unheard of level of security and comfort.

The Sabre 45 Salon Express offers two staterooms with two full heads and a salon that flows down two gentle steps to a bright half-up galley. Her unique proposition is the utility space located between the engine room and the guest stateroom. This space is reserved for the installation of optional accessories like washer/dryer units. By creating this working space all storage areas within the vessel have been preserved, and her cruising accommodations feel like those of a much larger craft.
