## Description

ORIGIN 55 is a fantastic like-new 2022 model 55' Palm Beach Motor Yacht! She features a spacious three stateroom, two head, galley up layout. She is powered by Volvo IPS 950s w/ 725 HP each and has **VERY LOW HOURS (approx. 280 hours) w/ EXTENDED WARRANTY** on engines and pods. She is equipped with joystick control, DPS, Seakeeper 9 Stabilizers, Bow Thruster, Garmin Glass Cockpit Navigation w/ all the options, FLIR, KVH HD7 SAT TV, Fusion Stereo, water purification system and so much more!

ORIGIN 55's master stateroom sits midship featuring a walk around queen berth, hanging locker, storage drawers, Samsung Smart TV and ensuite head with stall shower. Her VIP Stateroom is forward with low easily accessible queen berth centerline with storage, Samsung Smart TV. The second head is en suite with stall shower to this VIP stateroom and is also for use as day head and shared with third stateroom which features a double berth.

She has a very popular comfortable salon layout with fore and aft facing settee lounge to starboard and L-settee to port. This light filled space features three opening windows; port starboard and aft, open by the push of a button.

Her exterior cockpit is a fabulous place to entertain and gather! She features spacious transom seating with extended L-settee with teak dining table and chairs, aft facing seating forward, 2 refrigerators, removable awning, built in grill on transom, a tender garage under aft settee & much more! Her bow area is well utilized in this PB55 with sun pad on the cabin top forward and integrated bow seating at the bow.

The PB55 is a versatile downeast style yacht customized to perfection with detail and high quality throughout. Day, weekend or week long cruises are endlessly possible with her comfortable accommodations, exceptional performance and well rounded capabilities. Her V-Warped hull design provides a stable and efficient ride while eliminating hull slapping and pounding which reduces drag and softens the ride.

She is **LIKE NEW**, has **EXTREMELY LOW HOURS** and  
is **AVAILABLE FOR IMMEDIATE DELIVERY!!**

Please call for more details!!

## ORIGIN 55 Specifications

### ORIGIN 55 is fully equipped and in As New condition!

She features a midship master stateroom with full walkaround berth and en suite private head with separate stall shower. There is a forward VIP stateroom with an Island queen berth and a third single berth stateroom on the port side. There is a second head with separate stall shower on the port side as well. The salon features a large L-settee to port, a Palm Beach lounge area to starboard feature opposing settees with a coffee table in between, fully outfitted galley forward port, helm to starboard, opening windows port and starboard, and much more.

Her cockpit boasts an extended L-settee aft to port and an aft-facing settee forward to starboard. Forward to port are two large refrigerators and a quartz counter with 2 large fully opening windows that open to the salon. She has a tender garage under the cockpit housing a 10' 3" Sirocco RIB-FG 310 tender with electric start Honda outboard. The tender garage opens hydraulically via remote control and has a self-launching system for launching, retrieving and stowing the tender.

She is powered by twin Volvo IPS 950's with joystick control and dynamic positioning. Two (2) Garmin 8617 screens at her helm with radar, sounder, AIS, WiFi and more. The sidedecks on the Palm Beach 55 are fully walkaround, so when you start from the cockpit you go up a few steps gradually with hand rails port and starboard. At the bow area, she features our custom bow rider seating option with removable awning which is a really nice additional seating area as well as a foredeck sunpad on the cabin top. She has interior custom blinds in the salon, standard canvas covers for all exterior seating areas, windows, a full cockpit cover, a removable awning with carbon fiber poles and much more.

### CONSTRUCTION

Hull is vacuum-infused E-Glass with carbon fiber in structural areas, cored with Corcell and Airex foam, stitched multi-axial fabric, and vinylester and epoxy resins. The deck and superstructure are fully-infused carbon fiber. All bulkheads and fixed furniture are structurally bonded to the hull and deck for superior strength and rigidity. All exterior strength steel fittings are 316 marine grade stainless steel.

- Enclosed hardtop - infused carbon fiber with electric sliding windows (port, starboard & aft) using toughened glass
- Burmese teak interior
